About DYPIMCA

Padmashree Dr. D. Y. Patil Institute of Master of Computer Applications was established in the year 2002. The Institute strongly believes that world-class education is the stepping-stone to progress. With a longstanding commitment towards quality teaching and learning, the Institute has nurtured values that go into the making of successful careers. Since its inception, the institute is striving in the pursuit of academic excellence and good governance. The Institute is recognized by All India Council of Technical education (AICTE) and approved by the Directorate of Technical Education, Govt. of Maharashtra (DTE) and affiliated to Savitribai Phule Pune University (SPPU). The institute is NBA accredited for 3 years. **The Institute is awarded as "Best College of 2013-14" by Savitribai Phule Pune University. The Institute is recipient of "Most Promising Institute for Computer Application with Excellent Industry Interface & Infrastructure in Central India 2013" by TIMES RESEARCH.** The Institute is committed to develop proactive, talented, devoted, pragmatic and skilled technical work force contributing to the intellectual wealth of the nation.

About National Conference

The Institute is organizing a National Conference on 'Advances in Computing and Management' 2016 (NCACM-2016) on **29th and 30th January 2016** at Dr. D. Y. Patil Educational Complex Akurdi, Pune.

The world is at the doorstep of a new era, witnessing waves of technical advances with rapid speed. It is now essential for all techno-savvy managers to anticipate new applications of technologies and be aware of the latest developments. This Conference aims to quench this thirst for innovative waves of technology and management and creators of new applications. This Conference is a platform to bring together researchers, academicians, scholars to exchange, share their experiences and new ideas regarding all the aspects of Advances in Computing and Management.

Conference Objectives

- To generate and disseminate new ideas and concepts pertaining to interdisciplinary areas of research .
- To make comparative analysis of various aspects of Advances in Computing and Management

Call for Papers

The conference will focus on the following areas.

Track 1: Advances in Computing .

Track 2 : Marketing and General Management.

Track 3: Advances in Informatics.

Track 4: Finance and Human Resources Management.

Contributions for the above mentioned areas are welcome.
