

The institute has organized Annual Sports week-Techno-Sports 2017 on 18/01/2017 and 19/01/2017 The main aim of the event was to give exposure to the sports activities of the students and become a good team player.

Sports events started with initial rounds of chess, carom and box-cricket. Carom and Chess were organized in Boys Common Room and Tutorial Room at the ground floor. Participation was huge in both the games, students enjoyed the game. It was also very competitive. Badminton event was organized behind the college Canteen on ground floor. Cricket was organized with one team per academic year. Volleyball was organized behind the college canteen on ground floor wherein girls and boys teams per Academic Year participated. Few students were real good players. Students participated and loved the competitiveness of the games.

This year students organized funny games along with outdoor games, which were really interesting and appreciated by students. On the last day of Techno-Sports final matches of cricket and volleyball were kept which were the most enjoyed matches, where all students were cheering their respective class to achieve a win.
